

Christa Jones

FOUNDER, TEACHERS WITH MONEY · HOST, FIRST IN CLASS

Money + well-being for educators

ABOUT

Christa taught elementary music for ten years and left the classroom in 2023. She built a top 1% Teachers Pay Teachers store, founded Teachers With Money, and hosts the weekly First in Class podcast. Since 2025 she has coached 20+ educators one on one. She speaks at conferences, universities, schools, and district wellness days.

AUDIENCE

Classroom teachers first, plus school leaders, teacher-entrepreneurs, and educators in new careers. They want more money and more breathing room, without guilt.

THE FIVE PILLARS

Side Hustles. The pay scale is fixed. Your income isn't.

Wealth Strategy. Money basics in plain language.

Money and Mental Health. Honest talk, one small step.

Teacher Pathways. Staying, leading, or moving on, all respected.

Systemic Change. Better pay, and more income in the meantime.

SPEAKING TOPICS

Money stress and one small step: talking about money without guilt

The pay scale is fixed, your income isn't: side income with real numbers

Every path counts: staying, leading, or taking your skills somewhere new

Owning your audience: platform dependence for teacher creators
